Scope of Transactions Covered by "Trading Volume of Over-the-Counter (OTC) Bonds"

(Transactions Covered by the Statistics)

These statistics compile the data on over-the-counter (OTC) transactions of issued bonds (including Japanese Government Bond (JGB) transactions before issue date and listed issues and excluding foreign-currency denominated bonds) conducted during the period from the first to last business day of each month by the head offices, branches, and other business offices of JSDA Regular Members (securities firms) and Special Members (only transactions related to business of registered financial institutions). The data on transactions with repurchase agreements are aggregated on a separate table.

(Public and Corporate Bonds Subject to Aggregation)

All yen-denominated bonds issued in Japan (excluding yen-denominated bonds issued overseas and foreign-currency denominated bonds) are included in the statistics. Please note that aggregation of Special Members' transactions is limited to securities as defined in the items of Article 33, Paragraph 2 of the Financial Instruments and Exchange Act (FIEA).

For the details, please refer to the table below.

(Included in the Statistics)

- JGB transactions before issue date
- Yen-denominated foreign bond transactions (i.e. bonds issued by foreign governments, foreign government-related institutions, foreign corporations, etc. that are issued in Japan in local currency)
- JGB basket transactions (however, while the data of non-JGB basket transactions are presented in face value, JGB basket transactions are presented in contract amount)
- Transactions of Short-Term Corporate Bonds

(Not Included in the Statistics)

- Transactions of JGBs for individual investors
- Bond-like beneficiary interest transactions
- Foreign currency-denominated foreign bonds
 - Issued in Japan (so-called *shogun* bonds)
 - Issued abroad (Euroyen bonds, Eurodollar bonds, Canadian dollar bonds, zero-coupon bonds, STRIPS, etc.)
- Dual currency bond, reverse dual currency bond transactions
